EXPERIENCE

APRIL 2018 - PRESENT

UpWork

Graphic/UI Designer

As a Graphic and UI Designer on UpWork, I completed over 220 projects, delivering high-quality UI/UX designs, branding, and web visuals. I worked with global clients, creating user-focused and visually compelling digital experiences using Photoshop, Illustrator, InDesign, Blender, Figma and Adobe XD.

JAN 2022 - MAY 2022

NextLevelsEM

Graphic Designer

I created visually compelling content tailored for digital platforms. My work focused on designing engaging social media visuals, branding materials, and marketing assets that enhanced audience interaction and brand presence.

MAY 2022 - AUGUST 2023

STATOVAC D.O.O.

Senior Graphic Designer

As a Senior Graphic Designer at Statovac doo, I designed school-related materials, including notebooks and planners, ensuring both creativity and print accuracy. I collaborated with production teams to optimize layouts, maintain color precision, and deliver high-quality print-ready designs. My expertise in prepress techniques and attention to detail ensured seamless production and industry-standard results.
